

Summer Reading Log

Dear GSCA Families,

As you begin to enjoy your summer vacation, we want to ensure that you consider the importance of reading and learning throughout the duration of the summer vacation. In order to ensure that they begin their upcoming school year set up for success, we have put together a summer reading log to help families maintain a reading routine. We ask that your child spend time reading every day, and hold themselves accountable by completing their summer reading log.

Students are free to choose their own reading material, and take advantage of their community libraries. We encourage you to take this opportunity and explore various modes of literature, from books, to newspapers, magazines, articles, anything that sparks your child's interest and passion for reading. Online resources such as Epic and Learning A-Z are also great sites for reading material.

Students will be expected to submit their summer reading logs and two book reports to their teacher on the first day of school, and will be rewarded with a special prize by the teacher for their dedication and perseverance during the summer months. .

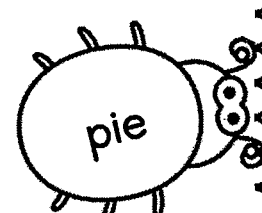

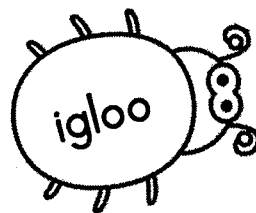

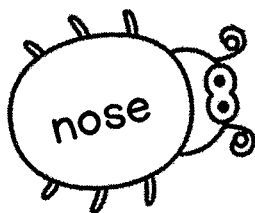

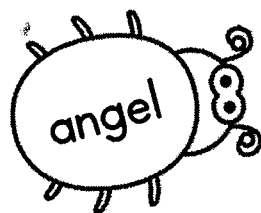

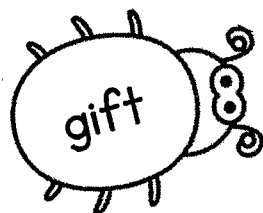

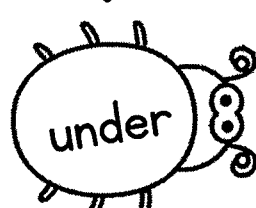

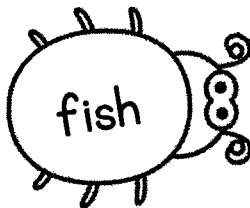

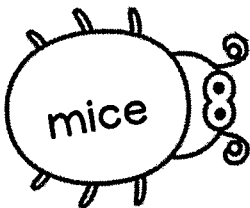

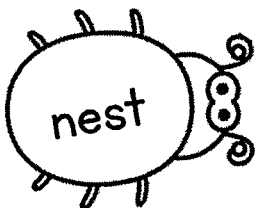

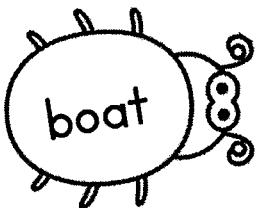

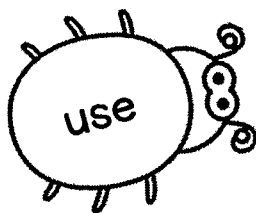

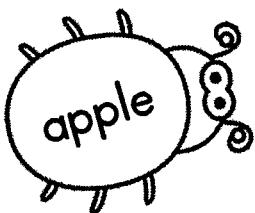

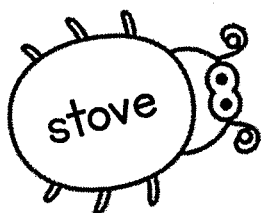

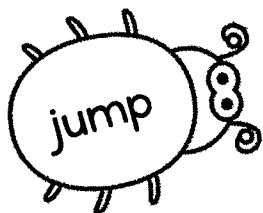

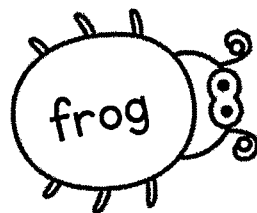

As always, thank you for your hard work and dedication to encouraging learning at home.

Happy Reading!
